SUBJECT: IMPORTANT: Reopening & CARES Act Plan

Colleagues and Friends,

Please see the following media announcement, below. In addition, please see the Florida Department's Reopening & CARES Act Plan attached as a PDF. It contains important information on health and safety measures and the Department's plan for resourcing workforce education and economic recovery aims. In particular, I would **draw your attention to pp. 28-34 & pp. 110-118**. I am very proud about what we were able to achieve by way of supporting our secondary and postsecondary career and technical education programs.

We will have three webinars following the Governor's announcement, today. Please join us:
