SUBJECT: REMINDER: Entrepreneurship Education and Training Grant Webinars

Colleagues,

Last week, the Department of Education (DOE) announced the release of the 2020-2021 Request for Proposal (RFP) for the [Advancing Career and Technical Education through Entrepreneurship Education and Training \(EET\) Grant Program](#), for \$1 million dollars. The grant aims to scale innovative practices to entrepreneurship education and training for our career and technical education students. We imagine the RFP as an opportunity for school districts, technical colleges, and state colleges to forge new partnerships and relationships with industry and other stakeholders. To that end, we welcome all interested parties to attend one of the following two workshops to discuss the grant, **this Friday, September 25th**:

- 10:00 a.m. to 12:00 p.m.

- 2:00 p.m. to 4:00 p.m.

After registering, you will receive a confirmation email containing information about joining the webinar.

In addition to these workshops, we are hosting a variety of trainings on the topic of entrepreneurship education. All trainings are free to faculty, staff, and DOE friends and partners. Registration information below or attached:

Excitedly,
