Mr. Steve R. Benton, Superintendent  
Jackson County School District  
P.O. Box 5958  
Marianna, Florida 32447

Dear Superintendent Benton:

This letter is to inform you of findings of noncompliance related to Jackson County School District's 2014-15 exceptional student education self-assessment monitoring process, including validation by bureau staff and reassessment by the district. Records were reviewed for Department of Juvenile Justice, Evaluation, Development, Implementation and Secondary Transition. A finding of noncompliance was identified for one area. Two prongs of corrective action are required: student-specific correction and demonstration of 100 percent compliance. Your district has completed the first prong (the required student-specific correction).

Demonstration of 100 percent compliance (the second prong of correction) must be provided to the bureau no later than January 8, 2016. In order to assist the district to reach 100 percent compliance on all of the targeted standards, a corrective action plan (CAP) must be developed to address the root cause(s) of the noncompliance. This CAP is required to be submitted via the General Supervision Website and must include, at a minimum, (1) a description of activities to be implemented, (2) the resources to be accessed or allocated to implement the plan, and (3) assessment on the targeted standards. This assessment is to be conducted on a sample of records on a monthly basis until 100 percent compliance is achieved. If the second prong of correction is not completed by January 8, 2016, the district's local educational agency (LEA) determination could be affected.

In addition to the self-assessment referenced above, a Matrix of Services review was required. The Jackson County School District was required to review three matrices for students reported at the 254 or 255 cost factors for weighted funding through the Florida Education Finance Program. No cost factor discrepancies were found in those records.

We understand that the implementation of this self-assessment requires a significant commitment of resources and we appreciate the time and attention your staff has devoted to the process thus far. If you have questions regarding this process, please contact your district liaison for monitoring or Patricia Howell, program director, at 850-245-0475 or via email at [patricia.howell@fldoe.org](mailto:patricia.howell@fldoe.org).
