Monitoring Priority: Effective General Supervision Part B / Effective Transition

Compliance Indicator: Percent of youth with IEPs aged 16 and above with an individual educational plan (IEP) that includes appropriate measurable postsecondary goals that are annually updated and based upon an age appropriate transition assessment, transition services, including courses of study, that will reasonably enable the student to meet those postsecondary goals, and annual IEP goals related to the student's transition services needs. There also must be evidence that the student was invited to the IEP Team meeting where transition services are to be discussed and evidence that, if appropriate, a representative of any participating agency was invited to the IEP Team meeting with the prior consent of the parent or student who has reached the age of majority. (20 U.S.C. 1416(a)(3)(B))

Response Corrections:

- **Correctable** = Requires immediate action(s) to correct the noncompliance for this student (e.g. amend the student's IEP, reconvene the IEP team)
- **Ensure future compliance** = Requires immediate action(s) to address how the school district will ensure future compliance
