Ms. Genelle Yost, Superintendent
St. Lucie County School District
4204 Okeechobee Road
Fort Pierce, Florida 34947

Dear Superintendent Yost:

This letter is to inform you of findings of noncompliance related to St. Lucie County School District's 2014-15 exceptional student education self-assessment monitoring process, including validation by bureau staff and reassessment by the district. Records were reviewed for Development, Implementation and Secondary Transition. Findings of noncompliance were identified for one area. Two prongs of corrective action are required: student-specific correction and demonstration of 100 percent compliance. Your district has completed both prongs of correction and no further corrective actions are required.

In addition to the self-assessment referenced above, a Matrix of Services review was required. The St. Lucie County School District was required to review seven matrices for students reported at the 254 or 255 cost factors for weighted funding through the Florida Education Finance Program. No cost factor discrepancies were found in those records.

The following is a summary of the school district's timely correction of student-specific findings of noncompliance.

Noncompliance by Student

	Number of Items	Percentage
Total Items Assessed	278	--
Noncompliant	4	1.4%
Timely Corrected	4	100%
