# GROWS

- **Placement of Teachers:** Recruitment agencies have left us with a great deal to be desired. Our mission is to get our teachers certified in the proper areas, spend the time necessary to place them where they will be most successful, and continue building capital with employees looking to grow into educators.
- **Relationship with Jefferson District.**
- **Lowering Discipline Rates:** Jefferson has some of the highest discipline rates in the state. Through programs like Leader and Me, Kagan, and Restorative Justice we are looking to lower rates in the next two years. We had to reestablish policies and procedures that could be enforced and that would assist us in rebuilding a positive school culture.
- **Raising Attendance Rates:** We have implemented PBIS for positive changes and have created giveaways for bicycles, video game systems, and a Tiger Store where students can earn Tiger bucks to boost positive reinforcement. We also utilize our Parent Outreach Coordinator and guest speaking opportunities to motivate students to make school a priority.

- **Currently have Partnerships with ELC, FSU College of Education, FAMU Trio, SEDNET, Invo, UNF Literacy Alliance, FIN, DOGS, FDLRS, USF PBIS Project, CARD.**

**These programs are helping us Bridge the Gaps.**
