Desired Results, Instructional Design for the Tiers

The Student Support and Academic Achievement Unit of Florida's Problem Solving/Response to Intervention Project invites you to participate in the sixth challenge of "Focus on the One," a series of infographics designed to support effective implementation of standards-aligned instruction for all. The sixth infographic, "Desired Results, Instructional Design for the Tiers," offers practical ways to bridge the gap between policy and practice in delivering effective tiered instruction within a multi-tiered system of supports (MTSS). Each infographic in this series includes a video, podcast, open-access platform and application sheet to support effective implementation within

an MTSS. To view the current infographic, go to <https://create.piktochart.com/output/54239305-ssaa-focus-on-the-one-instructional-tiers>.
