Informational Items

Updated Emergency Guidelines for Schools

The Emergency Guidelines for Schools – 2019 Florida Edition provides comprehensive easy-to-use guidance with recommended procedures for Florida school personnel to handle a wide variety of student health emergencies at school and school-sponsored activities. The 2019 Emergency Guidelines for Schools has now been shipped statewide to County Health Departments for distribution to individual schools. The updated emergency guidelines include communicable disease guidance, as well as infection control, and the steps schools can take before, during and after a pandemic flu outbreak. To download an electronic copy of the updated guidelines, go to http://www.floridahealth.gov/programs-and-services/childrens-health/school-health/_documents/emergency-guidelines-for-schools-2019.pdf.
