Tool for Greater Grade-Level Accessibility

Technology and Learning Connections presents Tim Jones on **November 18, 2020**, at 4 p.m. EST, in a discussion about Read&Write. Read&Write is a literacy software that supports students with reading and writing by making documents, files and web pages more accessible. Read&Write helps English language learners, as well as people with learning difficulties or who require dyslexia tools. Features include hearing emails or documents read out loud to text prediction; picture dictionaries; summary highlighters; and a grammar, spelling and confusable words checker. Read&Write makes lots of everyday literacy tasks simpler, quicker and more accurate. Register at <https://bit.ly/34CbDVq>. For more information, see the attached document.
