Call for District Reviewers for 2021-2022 Instructional Materials Adoption

Exceptional Student Education (ESE) Parent Survey
The online version of the 2021-22 ESE Parent Survey will be accessible beginning on Tuesday, February 1, 2022. Each year, the FDOE conducts a survey designed to provide the FDOE and the United States Department of Education, Office of Special Education Programs (OSEP), with information on how well Florida’s schools are partnering with parents and promoting parent involvement in their child’s education. The survey is open to all parents of children with an individual educational plan receiving ESE services from preschool age through grade 12. The survey is not intended for parents of students receiving only gifted services through an educational plan. All states must collect these data as part of their State Performance Plan, as required under the Individuals with Disabilities Education Act. In the FDOE’s continued efforts to increase parent participation, individual paper surveys for parents of all children receiving special education services in all districts will be forthcoming. The online version of the survey will be available to all parents at https://www.esesurvey.com/Login.php. For questions or concerns, contact Kindrea Hill, parent services specialist, at Kindrea.Hill1@fldoe.org.

Autism Navigator for Classroom Success in Prekindergarten through Second Grade Webinar Series
The Center for Autism and Related Disabilities is pleased to announce that registration is now open for this no-cost, six-week webinar series. All regular education and special education teachers, district-level personnel, speech-language pathologists, occupational therapists, early interventionists, psychologists, behavior specialists, social workers, paraprofessionals, college students, and anyone else interested in learning about students with autism are encouraged to attend. For more information and to register, go to https://autismnavigator.com/webinar-autism-navigator-for-classroom-success-in-prek-through-2nd-grade/. The second webinar in this series will be on February 2, 2022. For questions, contact support@autismnavigator.com.
