**2001-2002 Department of Juvenile Justice Student Entry Assessment**

- 1. Submit this record during reporting period 5 for all students who entered a Department of Juvenile Justice (DJJ) commitment, day treatment, or early delinquency intervention program during the school year and who have not graduated from school. More than one record should be submitted if a student enters more than one DJJ school during the year. If two entry assessments are given in the same subject area at the same school in one school year, only the most recent assessment should be submitted.
2. Report entry test information for each of three subject areas (reading, mathematics, and writing).
- 3. SCHOOL NUMBER, WHERE TESTED: Enter the DJJ school number the student attended at the time of the assessment.
4. TEST USE: Use code O (On Level) if the test level is the same as the student's grade placement level and use code F (Functional) if the test level is below the student's grade placement level.
5. KEY FIELDS: The key fields for this format are item numbers 1 through 5.
