Definition/Domain

A code to indicate the scheduling method employed:

CODE	DEFINITION

A   Alternate Week Schedule – Teacher meets with different groups of students in same course/classroom on same day, but alternate weeks.

B   Semester Block Scheduling (4 X 4, accelerated-block scheduling) – Course is scheduled so that students may earn one credit in the course in a semester.

C   Co-teaching – A classroom in which two or more teachers share responsibility for planning, delivering, and evaluating instruction for all students in a class. In order to be considered co-teaching, this delivery system is provided whenever a class/subject is taught by two or more teachers and must continue for the entire class period.

G   Individual or Small Group Instruction – Teacher meets with an individual student or small group of students in a separate setting.

I   In-Class One-on-One – Teacher meets with an individual student or small group of students on an   individualized basis within a traditional classroom but not as a co-teacher.

P   Parallel Block Scheduling – Large blocks of time are scheduled each day for students who may be in various courses or grade levels in the same classroom during the same period(s).
