<p>* = Generic State Course Substitution Indicator</p> <p>Example: RH9</p> <p>NOTE: Codes C, J, L, U, V, Y and Z are reserved for local district use. The Department will not assign values to those codes at any time in the future. Districts may also define other codes for local use, but should recognize that it is possible that the Department may define standard values for them sometime in the future.</p> <p>NOTE: Code 0 (zero) is now state defined.</p>	<p>This flag is used to indicate that the course with which it is associated is being used as a Department of Education approved substitute for another course, the code for which is being supplied in a companion data element (Course Number, Substituted). For the time being, this indicator will only be used for course substitutions created on or after July 1, 2007. Course substitutions having course flags in existence prior to July 1, 2007, will continue to use their existing course flags.</p> <p>The course meets a university admissions requirement; it is being offered as an Honors course; the individual who is taking the course is a student below the ninth grade who is able to count the course toward fulfilling graduation requirements and university admissions requirements because the district's pupil progression plan addresses this specific situation.</p>
