Element Name:	Migrant Summer (Continued)

Definition/Domain (Continued)

Examples:

B020   Twenty percent of the teacher's assignment was in the Migrant Education Program during the summer/intersession term(s) and was paid from Title I, Part C, Migrant Education Program funds.

C100   One hundred percent of the instructional paraprofessional's assignment was in the Migrant Education Program during the summer/intersession term(s) and was paid from Title I, Part C, Migrant Education Program funds.

Z000   This employee was not paid from Title I, Part C, Migrant Education Program funds during the summer/intersession term(s) or was employed in a school-wide program where MEP funds were combined with those of other programs.

NOTE: To calculate FTE, use the percentage of time the employee was funded by MEP funds. Alternatively, calculate FTE using the number of days worked. One summer term FTE is equal to 30 full-time work days. To calculate the FTE number, sum the total days the individual worked for a term and divide this sum by the number of full-time days that constitute one FTE in the term (i.e., 30 days).

Use only the percentage of days worked by an individual that were paid by MEP funds in calculating the total FTE numbers to be reported.

Do not include staff employed in school wide programs where MEP funds are combined with those of other programs. These employees should be coded Z000.
