CISCO004	Cisco Certified Network Associate (CCNA)						
NIASE007	ASE Automobile/Light Truck Technician: Brakes (A5)						
ZZZZZZZ	Not applicable. No industry certification was attempted by the student in the course being reported.						
<p>*For certifications or assessments with more than one exam, an industry certification identifier should only be reported when all exams required to earn the certification or pass the assessment have been taken/attempted.</p> <p>For example, MICRO061 - This Microsoft bundle requires that a student pass four of six exams. Students must have taken at least four exams for the industry certification identifier to be reported.</p> <p>For certifications or assessments with work experience requirements, an industry certification identifier may be reported as an attempt when all exams have been taken and any requirements other than work experience are satisfied (i.e., report valid identifier on Industry Certification Identifier element and outcome of "F" on the Industry Certification Outcome element).</p> <p>For example, NRAEF002 - This certification requires the student pass Year 1 and Year 2 exams and complete 400 hours of work experience. A student may be reported with this industry certification identifier and an outcome of "F" if the exams have been taken but the work experience was not successfully completed.</p>
