This overage is due the carryover from the 22/23 award year. During the 22/23 FA Fee reporting award year, the Merit awards were under the 25% allocation in the amount of \$143,377.52. We used carryover to expend in the Merit scholarships from the prior year which caused the overage of \$67,388.78.

Last year we prioritized the allocation of funds to categories where the majority of students could receive assistance, but because we underestimated our budget we underspent in need based aid. We have identified the problem and have improved our process to ensure that we do not fall short on disbursing need based aid this year.
