

VPK Accountability Transition: Providers on Probation and Good Cause Exemption

In the fall of 2025, the Division of Early Learning (DEL) will release the 2024-2025 VPK provider performance metrics and designations. At that time, the status of those VPK providers on probation or granted a good cause exemption in the **previous** VPK accountability system based on readiness rates will be reset.

The status reset does **not** apply to those providers whose eligibility to offer VPK has been revoked under the previous VPK accountability system based on VPK provider kindergarten readiness rates.
