## **MEMORANDUM**

**TO:** Florida College System Presidents  
Florida College System Workforce Administrators  
School District Postsecondary Career and Technical Education Directors  
School District Superintendents  
School District Technical College Directors

**FROM:** Kevin O’Farrell, Ph.D.

**DATE:** May 9, 2025

**SUBJECT:** **2025–26 Equipment Upgrade and Modernization (EUM) Grant and Funding Opportunity Webinar**

The Florida Department of Education is pleased to announce the release of the 2025–26 Perkins V Career and Technical Education (CTE) Equipment Upgrade and Modernization (EUM) Project Concept Workbook, which is available under “funding opportunities” on the FDOE Carl D. Perkins Career & Technical Education page at <https://www.fldoe.org/academics/career-adult-edu/funding-opportunities/2025-2026-funding-opportunities/>

This Perkins V funding opportunity will assist school districts and FCS institutions in modernizing their postsecondary CTE classrooms with industry-standard equipment. This CTE initiative provides agencies the opportunity to identify current needs and access funding for equipment upgrades or modernization to an approved postsecondary Perkins V CTE Program. The Florida Department of Education will evaluate and select the most impactful project concepts that align with needs identified through a Comprehensive Local Needs Assessment. These funds will assist agencies in meeting industry standards, which will better equip students for future job opportunities in high-demand fields.

Kevin O’Farrell, Ph. D.  
Chancellor of Career and Adult Education

2025–26 EUM Grant and Funding Opportunity Webinar  
May 9, 2025
