PRINT LEGEND

The \$ symbol used on the print chart indicates that the line to the right of the symbol is not printed if the information does not apply. Data printed below may be moved up the appropriate number of lines.

The first line of this sample transcript facilitates processing for optical scanners and appears only if the controlling parameter is set (see Appendix W). The content of the line is the Social Security Number, Last Name, First Name, Middle Name or Initial, the first 8 bytes of Post Date, Time, and Sequence Number, the 11-digit Addressed Institution, and the 11-digit Sending Institution, as these fields are defined in the Header Record.
