(1) Early learning coalitions (coalition) may not execute a provider contract with a provider before the provider has registered with the coalition and the coalition has determined the provider's eligibility to offer VPK services in accordance with Rule 6M-8.300, F.A.C.

(2)(a) Beginning with the 2026-2027 program year, pProviders that register to offer the VPK program must execute the State of Florida Statewide Voluntary Prekindergarten Provider Contract, Form DEL-VPK 20 (February 2026) (VPK Provider Contract), including either Form DEL-VPK 20PP (February 2026) or Form DEL-VPK 20PS (February 2026), as appropriate. For the purpose of this subsection, “individual associated with a provider” means an individual or family member of an individual who, regardless of compensation, holds a management position, oversees the operations of a provider, or is an officer, shareholder, beneficial owner, or member of the board of directors of a provider. A provider will not be eligible to contract to offer the VPK program if any of the following circumstances apply:

(a) The coalition may refuse to contract with a provider or revoke a VPK provider's eligibility to deliver the VPK program if the provider has been cited for a Class I violation by the Department of Children and Families (DCF), or local licensing agency, as applicable, in accordance with Rules 65C-22.010 or 65C-20.012, F.A.C. (as applicable to the provider type). Action taken by a coalition or school district to revoke a provider's eligibility must be consistent with Sections 1002.55(6), 1002.61(10)(b), or 1002.63(9)(b), F.S., whichever is applicable. If the coalition chooses to implement this provision, the coalition must develop policies and procedures in accordance with Rule 6M-8.702, F.A.C., to ensure the standard is applied consistently to all VPK providers.

(b)(a) The provider is on the United States Department of Agriculture National Disqualified List, has been terminated from participation in the VPK Program due to fraud and is currently not eligible to participate in the program, or is currently ineligible to participate in the VPK Program pursuant to Sections 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.;

(c)(b) An individual associated with the provider was, or is, associated with another provider that is on the United States Department of Agriculture National Disqualified List, has been terminated from participation in the VPK Program due to fraud and is currently not eligible to participate in the program, or is currently ineligible to participate in the VPK Program pursuant to Sections 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.;

(e) The provider has been terminated from participation in the VPK program due to fraud and is currently not eligible to participate in the program;

(d) An individual associated with the provider was, or is, associated with another provider that has been terminated from participation in the VPK program due to fraud and is currently not eligible to participate in the VPK program;

(e) The provider is currently ineligible to participate in the VPK program due to revocation of eligibility by the early learning coalition or the school district pursuant to Section 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.; or

(f) An individual associated with the provider was, or is, associated with another provider that is currently ineligible to participate in the VPK program due to revocation of eligibility by the early learning coalition or the school district pursuant to Section 1002.55(6), 1002.61(10), 1002.63(9), or 1002.73(4)(c), F.S.

(d)(g) For providers removed from eligibility due to noncompliance with Section 1002.68, F.S., the revocation of removal from eligibility applies to VPK program type (school-year or summer) in accordance with Rule 6M-

~~8.702, F.A.C. Therefore, in paragraphs (8)(e) and (f), above, ineligibility to contract is per program type.~~

(9) Transfer of ownership. In the event of a change of ownership, sale, sale of assets, conveyance of ownership, or other transfer of ownership interest, the provider must notify the coalition no later than thirty (30) calendar days prior to the transfer of ownership. The coalition and new owner must execute a new VPK Provider Contract for VPK services, provided the new owner meets the eligibility requirements of Section 1002.55 or 1002.61, F.S., whichever is applicable, and is not ineligible to contract ~~disqualified from contracting~~ pursuant to subsection (8) of this rule. Upon receipt of a request for a new contract due to a transfer of ownership, the coalition has up to thirty (30) calendar days to execute or decline a new contract. This timeline may be extended if all prerequisite requirements have not been met.

~~(10) The early learning coalition may refuse to contract with a provider or revoke a VPK provider's eligibility to deliver the VPK program if the provider has been cited for a Class I violation by the Department of Children and Families (DCF), in accordance with Rule 65C-22.010 or 65C-20.012, F.A.C. (as applicable to the provider type), or local licensing agency (as applicable to the provider location). Action taken by a coalition or school district to revoke a provider's eligibility must be consistent with Section 1002.55(6), 1002.61(10)(b), or 1002.63(9)(b), F.S., whichever is applicable, in that the revocation must be for a period of at least two (2) years but no more than five (5) years. If the coalition chooses to implement this provision, the coalition must develop policies and procedures to ensure the standard is applied consistently to all potential and current VPK providers. Each coalition must;~~

~~(a) Develop policies and procedures that are written and available to all current and potential providers. The policies and procedures developed must state the time period for violations considered;~~

~~(b) Document all actions taken by the coalition or school district to remove a VPK provider from the program or revoke a provider's eligibility; and~~

~~(c) Ensure providers are offered due process as described in paragraph 61 of VPK Provider Contract.~~
