

**2025-26 Secondary Career and Technical Education Programs and Associated Courses with Dual Enrollment Course Substitutions**

Rule 6A-6.0576, F.A.C. - Effective February 2026

**NOTES:**

(1) Completion of the minimum high school school credits in a course sequence is required for the course to count toward program concentration. See Column [F]

(2) Some programs have multiple options for course sequence completion; these are denote in column [E]. Where two courses have the same letter in column [E], both courses are required for course sequence completion.

[A] Secondary Program Number	[B] Program Name	[C] Course Number	[D] Course Sequence Number	[E] Course Sequence Option	[F] Minimum High School Credits for Course Sequence Completion	[G] CTE 9-12 or PS Course
8002100	Landscape Operations	8106810	01		1.0	CTE 9-12
8002100	Landscape Operations	8121510	02		1.0	CTE 9-12
8002100	Landscape Operations	8121520	03		1.0	CTE 9-12
8002100	Landscape Operations	8121310	04		1.0	CTE 9-12
8002100	Landscape Operations	8121320	05		1.0	CTE 9-12
8002100	Landscape Operations	8121410	06		1.0	CTE 9-12
8003100	Agriculture Biotechnology	8106810	01		1.0	CTE 9-12
8003100	Agriculture Biotechnology	8106850	02		1.0	CTE 9-12
8003100	Agriculture Biotechnology	8106860	03		1.0	CTE 9-12

**2025-26 Secondary Career and Technical Education Programs and Associated Courses with Dual Enrollment Course Substitutions**

Rule 6A-6.0576, F.A.C. - Effective February 2026

NOTES:

(1) Completion of the minimum high school school credits in a course sequence is required for the course to count toward program concentration. See Column [F]

(2) Some programs have multiple options for course sequence completion; these are denote in column [E]. Where two courses have the same letter in column [E], both courses are required for course sequence completion.

[A] Secondary Program Number	[B] Program Name	[C] Course Number	[D] Course Sequence Number	[E] Course Sequence Option	[F] Minimum High School Credits for Course Sequence Completion	[G] CTE 9-12 or PS Course

**2025-26 Secondary Career and Technical Education Programs and Associated Courses with Dual Enrollment Course Substitutions**

Rule 6A-6.0576, F.A.C. - Effective February 2026

NOTES:

(1) Completion of the minimum high school school credits in a course sequence is required for the course to count toward program concentration. See Column [F]

(2) Some programs have multiple options for course sequence completion; these are denote in column [E]. Where two courses have the same letter in column [E], both courses are required for course sequence completion.

**2025-26 Secondary Career and Technical Education Programs and Associated Courses with Dual Enrollment Course Substitutions**

Rule 6A-6.0576, F.A.C. - Effective February 2026

NOTES:

(1) Completion of the minimum high school school credits in a course sequence is required for the course to count toward program concentration. See Column [F]

(2) Some programs have multiple options for course sequence completion; these are denote in column [E]. Where two courses have the same letter in column [E], both courses are required for course sequence completion.

**2025-26 Secondary Career and Technical Education Programs and Associated Courses with Dual Enrollment Course Substitutions**

Rule 6A-6.0576, F.A.C. - Effective February 2026

**NOTES:**

(1) Completion of the minimum high school school credits in a course sequence is required for the course to count toward program concentration. See Column [F]

(2) Some programs have multiple options for course sequence completion; these are denote in column [E]. Where two courses have the same letter in column [E], both courses are required for course sequence completion.
