

STUDENT DATA ELEMENTS

2026-27

Data Element Number: **115629**

Data Element Name: **District Number, Zoned School**

The state assigned two-digit number for the Florida school district in which the student's home school is located, as outlined in State Board of Education Rule 6A-1.099822, F.A.C. and pursuant to sections 1008.34(3) and 1008.341, F.S. Home school is defined as the school to which the student would be assigned if he/she were not assigned to an alternative school or to a hospital- or homebound program. Alternative schools include separate schools for students with disabilities (also known as center schools). In addition reporting includes the state assigned two-digit number for the Florida school district in which the student's home school is located when the Educational Choice involves controlled open enrollment (public school parental choice) per s. 1002.31(1), F.S.

Code	Definition/Example
00	Not applicable – The student was not in an alternative school or designated as hospital- or homebound during survey week or the student was not assigned to an alternative school instead of the student's home school or the student was not involved in controlled open enrollment.
01 - 67	School districts assigned a unique number in the state Master School Identification file.

Note: For the Student Demographic Information format, this element should be zero filled for survey periods 1, 4, 5, 7 and 9.
