

Data Element Number: **131545**

Data Element Name: **Disaster Affected Student**

Indicator of whether the student moved to this school district or changed schools within the district this school year due to a disaster such as a hurricane or earthquake. This information is limited to declared disasters.

Indicate whether the student changed school because his/her school was closed due to the disaster. Closed means that the disaster rendered a school non-operational long enough that its students had to be re-assigned to another school or another location temporarily while the damaged school was made operational.

Code	Definition/Example
E	Yes, this student moved to this district this school year due to an earthquake, but not due to a school closing.
F	Yes, this student moved to this district this school year due to an earthquake and a school closing.
O	Yes, this student moved to this district this school year due to another type of natural disaster other than a hurricane or earthquake, but not due to a school closing.
P	Yes, this student moved to this district this school year due to another type of natural disaster other than a hurricane or earthquake and a school closing.
Q	Yes, this student changed schools within this district this school year due to an earthquake, but not due to a school closing.
R	Yes, this student changed schools within this district this school year due to an earthquake and a school closing.
V	Yes, this student changed schools within this district this school year due to a hurricane and a school closing.
W	Yes, this student changed schools within this district this school year due to a hurricane, but not due to a school closing.
X	Yes, this student moved to this district this school year due to a hurricane and a school closing.
Y	Yes, this student moved to this district this school year due to a hurricane, but not due to a school closing.
Z	No, this student did not move to this district and did not change schools within this district this school year due to a disaster.
