**AUTHORITY FOR STATE BOARD ACTION**

Section 1004.71(4)(b), F.S.

**EXECUTIVE SUMMARY**

Pursuant to section 1004.71(4)(b), Florida Statutes, any transaction or agreement between a statewide direct-support organization and another direct-support organization must be approved by the State Board of Education.

Approval is requested for the Florida College System Foundation (FCSF) to enter into a sponsorship agreement with the Institute for Strategic Policy Solutions (ISPS) at St. Petersburg College to receive funding in support of the Cybersecurity competition held in October 2026.

State Board of Education approval is required because FCSF is a statewide direct-support organization, and ISPS is a direct-support organization of St. Petersburg College.

The State Board of Education approved a similar agreement February 2026.
