

**2023-2024 School District Reporting Pursuant to Section 1006.28(2), Florida Statutes**

The report lists materials that were removed or discontinued by one of Florida’s school boards in response to an objection raised by a parent of a public school student in the school district or a resident of the county where the school district is located. The report lists the title and author of the material, the grade level where the material was removed or discontinued as well as the school district that removed or discontinued the material. Pursuant to Section 1006.28(2)(e), Florida Statutes, the Florida Department of Education is required to compile the information listed below and provide the report to school districts for their consideration when selecting materials for student use. The following report contains information submitted from each school district to the Department for the 2023-2024 school year.
