SUBJECT: Training on the Florida Postsecondary Threat Management Protocol

Dear Presidents,

We are pleased to announce the upcoming Florida Postsecondary Threat Management Training, which will be offered at regional locations throughout the state beginning in November.

The training will provide an opportunity for Florida College System (FCS) institutions to strengthen their understanding and implementation of the Florida Postsecondary Protocol adopted by the State Board of Education last week, applicable information from the Florida Model, and to support continued collaboration among campus and community partners.

The following dates and host locations within your region have been identified for the upcoming training. Thank you to the institutions who have agreed to host.

November 4 and 5, 2026

For the following institutions: Miami Dade College and College of the Florida Keys
Miami Dade College – Wolfson Campus
Garage Building 7, Room 7128

November 9, 2026

For the following institutions: Palm Beach State College, Indian River State College and Broward College
Palm Beach State College – Lake Worth Campus
Public Safety Complex, Room 108

November 12, 2026

For the following institutions: State College of Florida, Manatee-Sarasota, Florida Southwestern State College and South Florida State College
State College of Florida, Manatee-Sarasota – Lakewood Ranch Campus
Center of Innovation & Technology, Building 1, Room 125

November 17, 2026

For the following institutions: Hillsborough College, Polk State College and St. Petersburg College
Hillsborough College – Ybor Campus
Ybor Building, Room 124

**November 18, 2026**

For the following institutions: Pasco-Hernando State College, Lake-Sumter State College and College of Central Florida

Pasco-Hernando State College – Dade City Campus
STEM Center, Building K Auditorium

December 1, 2026

For the following institutions: Valencia College, Eastern Florida State College and Seminole State College

Valencia College – West Campus
Special Events Center

December 3, 2026

For the following institutions: Florida State College at Jacksonville, St. Johns River State College, Santa Fe College and Daytona State College

Florida State College at Jacksonville – Downtown Campus
Urban Resource Center, Room 103

December 8, 2026

For the following institutions: Tallahassee State College, North Florida College and Florida Gateway College

Tallahassee State College – Main Campus
FPAC Building 12, Room 104

December 10, 2026

For the following institutions: Gulf Coast State College, Chipola College, Northwest Florida State College and Pensacola State College

Gulf Coast State College – Main Campus
Charles Hilton Center, Rooms 302/303

Each training session is scheduled for one day from **9:00 a.m. to 4:00 p.m.** (local time). Each session will be limited to about 30 participants to facilitate discussion, so each college should be able to bring up to 8 -10 staff depending on the number of institutions included that day. Please consider your safety leads and staff responsible for triage, student affairs/conduct, and records, if available. To facilitate as many trained as possible, when registration opens there will be an opportunity for a staff member to request to attend on a different day than his/her college is assigned, space permitting.

Additional information regarding the training, including registration and other logistical details, will be provided in a follow-up communication.

We appreciate the continued partnership and participation of our FCS institutions as we work together to strengthen harm prevention and threat management practices across our campuses.

Thank you, and we look forward to each institution's participation.
