MEMORANDUM

TO: School District Superintendents

FROM: Suzanne Pridgeon

DATE: January 23, 2026

SUBJECT: 2025-26 Local Capital Improvement Revenue for Eligible Charter Schools

[Section 1013.62\(3\), F.S.](#), requires school districts to distribute local capital improvement (LCI) revenue from the discretionary millage authorized in [section 1011.71\(2\), F.S.](#), to eligible charter schools by February 1, 2026. Attached is a district-level summary and a summary by charter school of the required distribution amounts, as calculated by the Florida Department of Education (FDOE). For the 2025-26 fiscal year, each school's distribution is equivalent to 60 percent of the maximum calculated amount, as required by section 1013.62(3)(d)3., F.S.

Please note that each school district's LCI amount has been reduced by its annual debt service obligation incurred as of March 1, 2017, and paid during the 2025-26 year from LCI funds, and by its Special Facility Construction Program participation requirement, if applicable. Each school district is responsible for amending eligible charter school payments after the end of the fiscal year if the district does not expend the full certified debt service or Special Facility Construction Program participation requirement certified to FDOE earlier in the year.

Each charter school's distribution amount has been reduced by the state funds allocated for charter school capital outlay, pursuant to section 1013.62(2), F.S., if applicable.

If you have questions regarding this calculation, please call Josh Bemis at 850-245-0405.
