The 2025-26 ESE Parent Survey is Open

The 2025-26 ESE Parent Survey is active and will remain open throughout the 2025-26 school year. Submissions are processed in real time and results can be viewed through the [FDOE Parent Survey](#) dashboard. We invite all parents and guardians to share their feedback and help shape the future of the ESE program. Parents should complete the [electronic ESE Parent Survey](#), which is available in 10 languages, or the paper-based ESE Parent Survey, whichever is most convenient for them. Note that the paper-based version of the 2025-26 ESE Parent Survey is attached and the Spanish and Haitian Creole versions can be found at [ESE Parent Survey](#).

The survey is open to parents of children with an individual educational plan (IEP) receiving ESE services from preschool to grade 12 (excluding gifted services). Students with disabilities ages 18 and up are also encouraged to participate. Quick and easy to complete, the ESE Parent Survey helps ensure districts meet their 2025-26 target response rates. See the attached ESE Parent Survey flyers (including Spanish and Haitian Creole) and share them in your schools, with teachers and during IEP team meetings.

Tip of the Week

Explain Each IEP Team Member's Role in Meeting Notices

To facilitate parents' meaningful participation, a district should describe team members' roles—such as district representative—in IEP meeting notices. This will help parents know whom to address individual questions to and will improve their understanding of the process. ([Special Ed Connection®](#))
